

CUSTOMIZED CONSTRUCTION LAW UPDATE for Businesses on the Move

As your business grows, expands or relocates, you can face challenging issues related to the construction and build out of new or existing locations. Our construction law team is ready to provide you with information on the issues that concern you most. We will bring our experience and knowledge right to your office, and we'll even bring lunch!

YOU PICK the topics from our menu –
and the date and time that works best for you.

- Choosing the Right Design Professional or Contractor
- Insurance and Bonding Questions
- General Contractor, Construction Manager or Design-Builder: Which is Right For Me?
- Working with a Lender During Construction
- Dealing with Delays on a Project
- Dealing with Liens and Claims
- Changes and Cost Overruns
- Workplace Accidents
- Loss Prevention and Risk Management
- Indemnification Clauses in Contracts
- Other: _____
