

## **Drains + Sewers**

Miller Canfield has been consistently meeting clients' municipal drain and sewer projects needs for over a half century. Whether you are the local drain commissioner, the board of public works, or a local community official, you can be confident of the expert legal counsel and assistance we can provide. Our public finance attorneys have extensive experience in all aspects of financings under the Drain Code, Act 185, and Act 342, and have helped many local municipalities undertake financings for those projects in the form of capital improvement or revenue bonds.
