andersson@millercanfield.com

Tim structures and executes business transactions on corporate and securities matters, including mergers and acquisitions, corporate finance and closely held corporations. Tim is frequently engaged in international business transactions. He also advises clients on matters involving export control.

*"I help clients achieve their objectives in a responsive, organized and practical manner. Teamwork and integrity are hugely important to me, and I don't compromise in the pursuit of effective results for clients."*

Timothy L. Andersson

### EXPERIENCE

Tim recently worked with a Tier 1 automotive supplier in obtaining substantial governmental incentives for locating a new manufacturing facility in the State of Michigan.

*"Leveraging our firm's expertise in the site selection and incentive process, I helped the client achieve substantial savings in connection with the growth of its business in North America."*
