M. Sheila Jeffrey specializes in the coordination of national discovery efforts for product manufacturers. She works to create and then manage systems that produce complete and accurate responses, minimizing disputes where possible and representing her clients effectively in court when necessary. In connection with all of these activities, Sheila works closely with in-house counsel and the clients' engineers.

*"Responsiveness is the key to creating an excellent attorney-client relationship. I serve my client well by attending closely to client needs."*

M. Sheila Jeffrey
