murray@millercanfield.com

Abdu H. Murray focuses his practice in commercial and real estate litigation involving multi-million dollar matters. For over eight years, his practice has concentrated on litigating complex commercial disputes, including class actions, product liability claims, construction disputes, trade secret litigation and corporate matters. Abdu also has extensive experience litigating and advising clients with regard to real estate disputes, zoning and land use matters, and real estate finance litigation. His experience includes trial and appellate practice before state and federal courts.
