Kathleen A. Horn is the Intellectual Property Coordinator for the Kalamazoo IP Group. She initiates, administers and maintains the United States, international and foreign patent filings for several biotech companies. In her additional role as IP Coordinator Kathleen is in charge of the daily work flow for eight IP attorneys, four IP paralegals, two patent technicians and five staff members. Prior to joining the IP Group, Kathleen's focus was in complex litigation including antitrust litigation and gas and electric utility litigation. She also handled commercial litigation, including construction, contracts, product liability, no-fault insurance and other matters.
