Driving Directions

From Warszawa Okęcie Airport, take ul. Zwirki i Wigury. Pass the Novotel Hotel on the left and the cemetery on the right.

Travel 15-20 minutes until the traffic circles with ul. Wawelska (Airmen Monument is on the left). After ul. Wawelska, ul. Zwirki i Wigury becomes ul. Raszynska.

When you see Sobieski Hotel on the corner of ul. Raszynska and Al. Jerozolimskie, turn right on Al. Jerozolimskie.

Go straight on Al. Jerozolimskie to ul. Bracka, turn right on ul. Bracka (the second street past Forum Hotel).

The first street on the right is ul. Nowogrodzka, turn right on ul. Nowogrodzka and you will see our office building on the left.

We are located on the 5th floor of the Nautilus Nowogrodzka Building.

Established 1993

Warsaw is taking full advantage of the tremendous and unique opportunities arising from the emergence of free market and the development of democracy. Poland's capital is one of the fastest growing cities in Europe.

We've been working in Poland since the early 1990s and most of our team are born and raised here, so it's a place we know very well.

Warsaw

It's well worth extending your business trip to Warsaw to allow time to explore the city, surely one of the best in Europe (although admittedly we're biased).
