Driving Directions

From Wroclaw Strachowice Airport take Skarzyńskiego Street and turn right to Graniczna Street. Travel until you reach Mińska/Strzegomska junction and turn left to Strzegomska. Strzegomska is a very long street and often crowded so that it may take 10-15 minutes until you reach a junction with Smolecka (at the fifth traffic lights). Then turn left to Strzegomski Square and right to Legnicka Street. After crossing the 1st May Square (which is already in the Old Town) go further straight to Ruska Street. At the first traffic lights turn left to Nowy Świat Street and the first street on the right will be Św. Mikolaja Street. Continue on Św. Mikolaja and turn left to Kielbaśnicza Street where you can see the main entrance to the Renaissance Business Centre, our new location.
